

The 35th annual conference on Astronomical Data Analysis Software & Systems 2025 in Görlitz, Germany

Tuesday 11 November 2025

Plenary Session 6: Quality Assurance and Software Testing (11:00 - 12:30)

| time | [id] title | presenter |
|-------|--|----------------------|
| 11:00 | [64] Testing Complex Scientific Software: Key Challenges and Effective Strategies | Dr CASTRO, Sandra |
| 11:30 | [61] Never do user testing again. | DESHPANDE, Mrunmayi |
| 11:45 | [190] Assembly, Integration, and Verification of the Cherenkov Telescope Array Observatory Data Processing and Preservation System | SAVCHENKO, Volodymyr |
| 12:00 | [10] Machine Learning-based Anomaly Detection for Astrometry | GAILLARD, Nelly |
| 12:15 | [21] How to Write a Software Paper for the AAS Journals | RAHMAN, Mubdi |
